

Development Director Cardiff and Vale Parents' Federation

Position: Development Director

Location: Cardiff

Hours: Part-time, 3 days [21 hours] per week

Contract: 3 year renewable contract

Salary: £24,120 per annum plus 10% pension contribution [£42,000 pro rata]

Are you ready to lead a respected, community-driven charity into its next chapter?

Cardiff and the Vale Parents' Federation, a long-standing charity supporting unpaid carers, is seeking a dynamic and passionate individual to step into the role of Development Director.

With over two decades of impactful work, our current director is retiring, and we're looking for someone ready to build on that legacy.

This is a unique opportunity to use your skills, experience, and connections to shape the future of a charity that truly makes a difference in the lives of families across Cardiff and the Vale of Glamorgan.

If you have deep knowledge of the social care sector, understand the challenges faced by unpaid carers, and have a proven track record in project development and fundraising, this role could be your perfect fit.

Join us and lead with purpose—help mould a respected organisation, drive meaningful change, and ensure that carers receive the support they need.

For details contact admin@parentsfed.org . If you would like to discuss this role contact john@parentsfed.org

Closing date for applications is 26th September. Post will commence on 6th January 2025
