# Housing Options

## Where does your child want to live ?

The Parents Federation is holding an information event that will 'showcase' a range of housing choices that are currently on offer as well as look at some innovative new possibilities for the future.

Speakers from housing associations, statutory sector and various support providers will explain how they currently offer support tailored to individual needs and discuss the range of possibilities that families may wish to look at in the future.

It is never too early to start looking at the possible accommodation options and choices.

## Coming Soon

We are holding our 21st Understanding Disability Awards ceremony on Tuesday, November 18th 2014 at the Future Inn, Cardiff Bay.

These popular awards celebrate examples of the inclusion and involvement of people with a learning disability in everyday life. Awards are made to individuals, groups and organisations that have gone the extra distance to positively involve people and help overcome the difficulties that they face.

We have some places left but these are limited. If you would like to secure a seat please contact Hasina on 02920 227800.

## Hydrotherapy Soon?

For many years we have campaigned for the provision of hydrotherapy pools.

We are currently seeking support from families to ascertain how much demand there still is.

If you would support and use a local hydrotherapy pool please let us know. Either contact us on 02920 227800, leave a facebook message or send a tweet!

If you are not already a 'friend' please invite us to join you on your facebook and keep up to date with developments as soon as we hear about them.

## 1000 members and rising!

The Parents Federation now has over 1000 members! We do our best to share information, keep people informed and speak on behalf of the many carers across Cardiff and the Vale that we support.

We are always looking for new members to help steer the organisation and ensure that we are helping families in the most effective way that we can.

No previous skills or experience is required, simply experience of having been a parent carer and the willingness to attend our meetings.

All travel expenses are covered
